IN NAME & REPUTATION

If it's

STANDARD

you want—

Remember the Matchless Model V/3 is the fastest STANDARD machine of its type—and the cost is only £53.10.

For £5 extra you can get a V/3 Special—guaranteed to be capable of a speed of 85 m.p.h. This model is fitted with special racing valves, cams, etc. Price £58.10.

75 m.p.h.—from standard models! Not a mere track figure obtained from a specially produced, carefully tuned machine, but the actual road speed easily attained by every V/3 that leaves the Matchless works. Remember though, that nothing has been sacrificed for the sake of speed. Comfort and controllability are assured by the care which has been taken over every detail. The specification includes Dry Sump Lubrication, Interconnected Brakes, Redesigned Spring Forks, Duplex Trussed Loop Frame and unarnishable Chromium Plating. Yet the price of this fine 4.95 h.p. 2-port O.H.V. Super-Sports machine is only £53.10. Post this Coupon to-day: a 3d. stamp will do, and our big, comprehensive catalogue will be sent to you FREE and POST FREE.
