

Ralph White, No. 1 rider  
Team Hansen, rode the orange  
white Fly (a Matchless 100 mi.  
Champion) to the top of the hill  
at 10 miles an hour at Greenwood.

1965 has been a good year for Matchless riders. Road Racing, T.T., Flat Track, Enduros and Hare and Hounds. Point Leaders, National and local, are riding Matchless. Matchless riders are still a tight little club. Join now, and get an edge on the competition. (At least for a while, till they follow your lead and get a Flying M of their own!)

Dick Mann, consistent front runner and former Grand National Champion, won the 120 and 150 mi. National Road Race Championships on Matchless.
