Go Like a Bomb

It sparkles with glistening
chrome and polished alloy.
Beautiful bright red tank
on the Matchless, and shining
jet black tank on the AJS.

The Hottest Yet!

The World's Most Beautiful Motorcycle

It's truly the "Sports Car" of motor-
cycling. Don't settle for just a standard
machine when you can own the

"Scrambles Twin," and be the "envy of
them all" whether on the road or racing.
The Hottest Yet! Go like a Bomb!
