P.T.O.

AMAL CHART OF LISTS FOR CARBURETTORS AND COMPONENTS FOR MOTOR CYCLES, SMALL MARINE, AND AGRICULTURAL STATIONARY ENGINES.

The letter attached to the List No. changes if the List is revised. For example: List 374T is a later edition than 374S. However, as from June 1st, 1951, any List revised has the letter "A" placed before the number; Example: List A340 is a later edition than 340V, and any subsequent revisions would be B340 or C340, etc.
