

NEW HIGH PERFORMANCE 250

The new **AJS** and **Matchless High Performance 250 cc Scramblers** will have an added 6 horse power over the standard road models. They will have special cams, high compression pistons, etc., plus modified engine flywheels for high RPM. The machine will have alloy mudguards and competition seat. The wheel size will be increased to 19 inches with knobby front and rear tires. The large brakes and roller wheel bearings hubs will be the same as used on the 1953 - 500 cc models. The teledraulic forks are very robust, being the same fork as used on the early 500 cc trials models. A new longer special scrambles frame will be used, giving more strength and more road clearance.

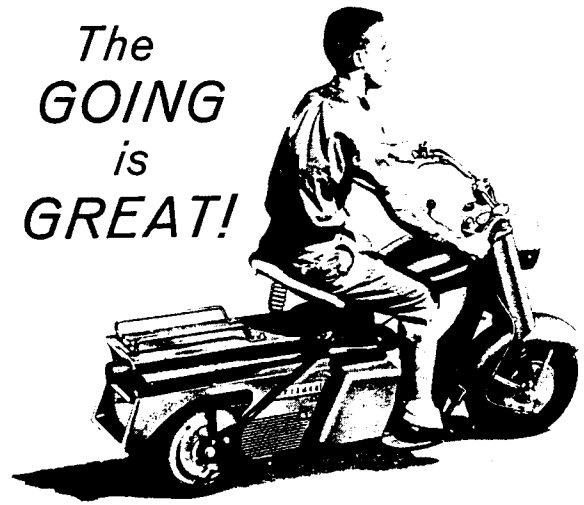

HUMMER STARS ON TV SHOW—A Harley-Davidson Hummer recently was a major "Showcase" item for the morning edition of the NBC TV show "The Price Is Right". Viewers throughout the Nation tried to determine the exact retail price of each of four "Showcase" items and sent in their bids on the total price. Mr. Andrew Mounce, Burnside, Kentucky, was the lucky winner of the Harley-Davidson lightweight motorcycle and the other items.

HONORABLE SCOOTER ROOTERS—Mrs. Robert Wagner tries out the Lambretta motor scooter presented to her recently on behalf of the Boy's Town of Italy. Others present at the ceremonies at Gracie Mansion were: (left to right) Miss Hedy Maria Giusti, Director of Boy's Town of Italy, who made the presentation; Marchese Ruggero Farace di Villafresta, newly appointed Italian consul general in New York; Mayor Wagner; and Giulio C. di Lorenzo, Italian vice-consul. Mayor Wagner and the consul general are holding a scroll presented to the Mayor, making him an honorary citizen of Boy's Town of Italy.
