£48:10

Sidecar  
Machines  
from  
£62:10

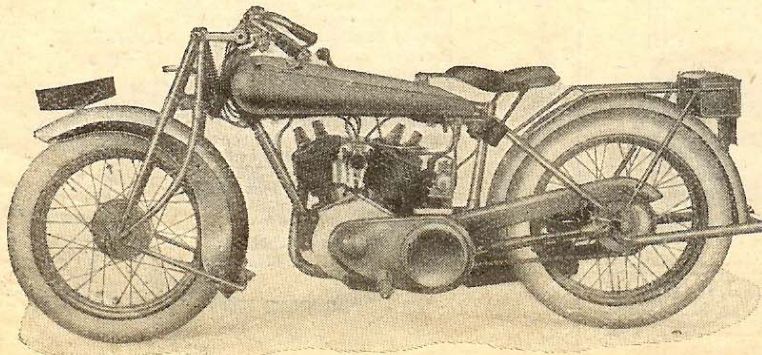

For the first time in motorcycle history a Big-twin Sports Machine is offered at a reasonable price. It is built for speed—either fast solo riding or with Sports Sidecar. Get the real thrill of speed this Easter—the 'Matchless' is an outstanding sports machine at a remarkably low price.

Specification includes—"Matchless" Sports Twin Engine—990 c.c. with Plated cylinders and aluminium beehive valve caps, mechanical lubrication, bulbous saddle tank with large Filler Caps, "Matchless" Spring Forks with Twin Friction Shock Absorbers, Adjustable Steering Damper, Rubber-covered Footrests, Adjustable Sports Handlebars, Twist Grip Throttle Control and Two Internal Expanding Brakes. Finished Matchless Grey. Tank with polished copper nose and body of Tank Matchless Grey panelled in green. Alternative Black Finish with Nickel-plated Tank.

Write for full details.
