REALLY MATCHLESS 250's for 1961

"250" fans will find all they dreamed of in the new Matchless Range—handsome appearance, flashing performance, superb roadholding—truly incomparable "250's". The new G2S Sports, shown above, combines breath-taking performance with good looks—every inch a thoroughbred. On the right is the Model G2, undoubtedly the fastest standard "250" produced, with a finish to match its performance.

Below is the G2CS—the Scrambler with the brilliant future—now fitted with an entirely new ignition system, connecting rod, large diameter crankpin and improved gearbox.

Choose your "250" from the Incomparable Matchless Range. Fully illustrated Brochure on request.
