Models G3/LS and G80S

Available for export only during the 1949 season, the Models G3/LS 347 c.c. and G80S 498 c.c. are now being distributed to Home Dealers, and already riders in all parts of Great Britain are enjoying the unprecedented standard of steering and road-holding provided by the Matchless Patented system of full Teledraulic suspension

MAKE IT A MATCHLESS *SPRINGER* AND RIDE FARTHER FASTER
