AN

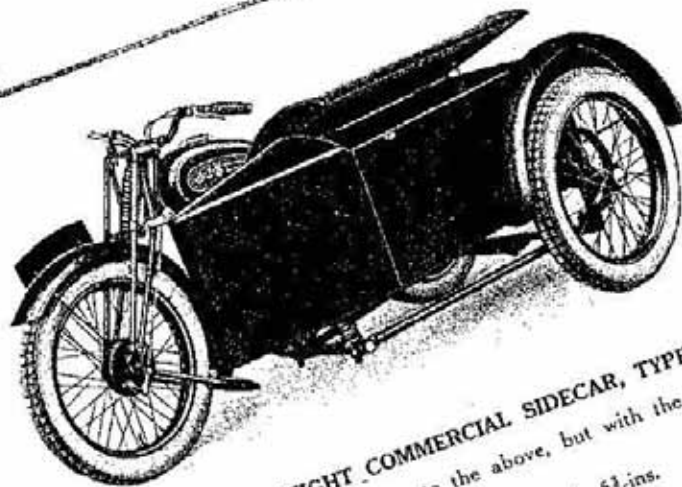

COMMERCIAL  
SIDE CAR COMBINATION

**THE A.J.S. HEAVYWEIGHT COMMERCIAL SIDECAR, TYPE MM 2.**  
 THE commercial sidecar is undoubtedly the most economical and efficient form of light, mechanical transport. The body illustrated is the heavy-weight box, the inside dimensions of which are as follows:—

Length	3-ft.	11½-ins.
Height	—	18½-ins.
Width	—	15½-ins.

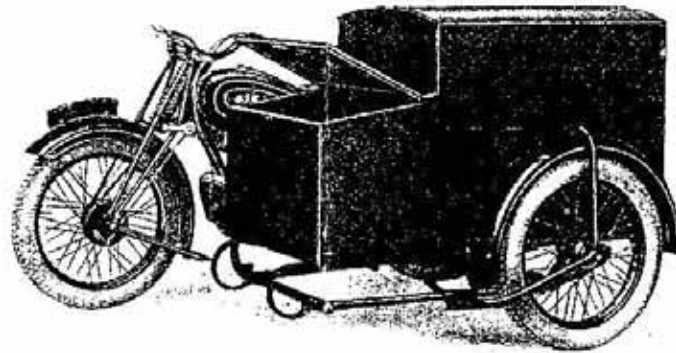

The box is panelled with best quality ply-wood, and covered with specially durable fabric; and the lid is cambered, strongly hinged and fitted with metal checks and lock. The Chassis upon which the body shown is fitted is the 9.95 h.p. Standard Chassis (Type M 2 G).  
 Heavyweight Box Body as illustrated, on (Type M 2 G) Chassis PRICE £ 21 : 0 : 0  
 Heavyweight Box Body on (Type M 2 F) Chassis PRICE £ 17 : 15 : 0

**THE A.J.S. LIGHTWEIGHT COMMERCIAL SIDECAR, TYPE MT 2.**  
 Constructed on similar lines to the above, but with the following dimensions:—

Length	—	4-ft. 5½-ins.
Height	—	15½-ins.
Width	—	15½-ins.

The Chassis upon which the sidecar is shown fitted is our Standard Lightweight (Type M 2 A).  
 PRICE ... .. £ 15 : 0 : 0

**ECONOMICAL TRANSPORT.**

**L**ONG experience has proved that for the economical and expeditious transport of light goods, a motor cycle combination is not only cheapest in first cost, but also in upkeep and running expenses. We are able to offer a comprehensive range of sidecars with attractive and pleasing outlines, designed and fitted to meet the requirements of well-nigh every known trade.

And with the exceptionally easy Hire Purchase facilities now available, this most valuable addition to his business equipment is within the reach of every progressive tradesman's pocket, and at once becomes a continual source of advertisement of his business.

Space does not admit of our illustrating more than a selection of the numerous types manufactured by us, but we are at all times pleased to quote for any special design of body applicable to customer's particular business and requirements.

*(We reserve the right to modify or deviate from the above Specifications and Prices without notice.)*

All Prices in this List include Carriage per Passenger Train at Our Own Risk to any Station in the United Kingdom.

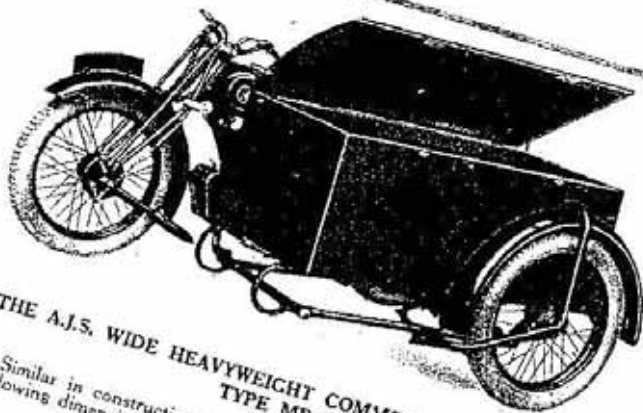

ANY MODEL SUPPLIED ON THE HIRE PURCHASE SYSTEM.
