

198-X-4 Spindle for kick-starter quadrant & lever

17/09/2022

J Ready

REVISIONS				
ZONE	REV	DESCRIPTION	DATE	APPROVED

N.B.: These dimensions are taken from a new aftermarket part, purchased in 2018 and seem to suit both 1/4" & 3/8" springs. (width on largest dia.)

Spindle, for kiskstarter on CP Gearbox 1938 - 1948
 (Narrow spring).
 Main shaft is ground finish on external diameter bearing surfaces after case hardening. (except for 0.9435" dia.)
