Guarantee.

Every care is taken in the manufacture of A.J.S. MOTOR CYCLES: if, however, any part or parts of the A.J.S. MOTOR CYCLE No. 27681. purchased by:—

Name Edward Attwodd, Esq.,
Address Columbia Poultry Farm,
Kenilworth, KIMBERLEY. S. Africa.
Date of Purchase 15-6-25.

shall be or become defective through faulty workmanship or material at any time within six months from the date of purchase, A. J. STEVENS & CO. (1914) LTD., hereby undertake to exchange or repair such part or parts subject to and in accordance with the following conditions:—

In the case of machines which have been used for "hiring out" purposes, or from which our trade mark or manufacturing number has been removed, no guarantee of any kind is given or is to be implied.

We guarantee, subject to the conditions mentioned, that all precautions that are usual and reasonable have been taken by us to secure excellence of materials and workmanship, and damages for which we make ourselves responsible under this guarantee are limited to the replacement of any part which may have proved defective, and any work involved in the replacement of such part or parts will be charged for.

We undertake, subject to the conditions mentioned, to make good at any time within six months any defects in these respects. As motor cycles are easily liable to derangement by neglect or misuse, this guarantee does not apply to defects caused by wear and tear, misuse or neglect.

The term "misuse" shall include amongst others the following acts:

- I. The attaching of a side-car to the motor cycle in such a manner as to cause damage, or calculated to render the latter unsafe when ridden.
- II. The use of a motor cycle, or of a motor cycle and sidecar combined, when carrying more persons or a greater weight than that for which the machine was designed by the manufacturers.

Any motor cycle sent to us to be plated, enamelled, or repaired, whether the repairs are required for the purpose of making good the defect before referred to or otherwise, will be repaired upon the following conditions, *i.e.* we guarantee that all precautions which are usual and reasonable have been taken by us to secure excellence of material and workmanship, such guarantee to extend and be in force for six months only from the time such work shall have been executed, and this guarantee is in lieu and in exclusion of any common law or statute warranty, and the damages recoverable are limited to the cost of any further work which may be necessary to amend and make good the work found to be defective.

Conditions of Guarantee.

If a defective part should be found in our motor cycles, or in any part replaced, it must be sent to us carriage paid, and accompanied by an intimation from the sender that he desires to have it repaired free of charge, under our guarantee, and he must also furnish us at the same time with the number of the machine, the name of the agent from whom he purchased, and the date of the purchase, or the date when the alleged defective part was replaced, as the case may be.

Failing compliance with the above, no notice will be taken of anything which may arrive, but such articles will lie here at the risk of the senders, and this guarantee, and any implied guarantee shall not be enforceable.

WE GUARANTEE ONLY THOSE MACHINES WHICH ARE BOUGHT EITHER FROM US OR FROM ONE OF OUR DULY AUTHORISED AGENTS, AND UNDER NO OTHER CONDITIONS.

We do not guarantee the specialities of other firms, such as magnetos, carburettors, tyres, saddles, chains, lamps, tools, etc., or of any component part supplied to the order of the purchaser differing from our standard specification supplied with our motor cycles or otherwise.

IMPORTANT NOTE re ALL MODELS FITTED WITH OVERHEAD VALVE ENGINES.

These machines are fitted with engines of very high efficiency, and may be subjected to abnormal strains and stresses because of such efficiency. The usual guarantee, therefore, does not apply to these engines. We do not guarantee any part of the engine, but should any trouble occur we will deal with such cases on their merits, if the parts concerned are returned to us for examination. **Other than the engine the machine is covered by the usual guarantee.**

We give the above guarantee with our Motor Cycles instead of the guarantee implied by Statute, or otherwise, as to the quality and fitness of such machines for the purpose of motor cycling; any such implied guarantee being in all cases excluded.
