

RACE-REARED... TRIAL-TESTED... ROAD-PROVED...

Whether you want a machine for racing... rallying... or running around, an AJS will stand the pace and leave the others standing. It clings to the road like a clam. Stops on a stud whenever you say. And always gives you power to spare. You never want to get out of the saddle! Go and see *your* AJS now!

For further details of these tough machines, just write your name and address in the margin of this advertisement, and post it to:
